

Building connections through professional organizations

-SHAPE: Society of Health and Physical Educators: <https://www.shapeamerica.org/>

- National organization
- Provides resources, publications, professional development, grants, awards, advocacy tools, events, conferences, and standards/guidelines

-Rhode Island Association for Health, Physical Education, Recreation, & Dance: <http://riahperd.org/>

- State organization
- Provides resources for teachers, professional development, and tools for your classroom
- Connects you to other local HPE teachers

-Why?  Helps you **build relationships** and **keep current with HPE**

-How can you get involved?

- Join both organizations
- Stay connected and updated
- Attend meetings
- Attend conferences/PD
- Join the board! Do you want to be actively involved? Contact me!
