

WELLNESS COMMITTEE NEEDS YOU!

Do you have a strong commitment to:

- Healthy school meals
- Physical activity for students
- Quality physical education
- Healthy fundraising efforts
- Better health outcomes for all Coventry students

Please join us!

We are seeking parent, student and teacher representation from every Coventry school and the community for valuable input about how to make our schools the healthiest they can be.

The time commitment is minimal – meetings last one hour every other month during the school year – but the commitment to the health of our kids is huge!

Our next meeting is:

Tuesday, November 10, 2015
3:45-4:45pm
Knotty Oak Room at CHS (next to gym)

To find out more or join the email distribution list, please contact:

Joe Lucian, Wellness Committee Chair/CHS Assistant Principal, LucianJoseph@coventryschools.net

In 2005, the RI General Assembly passed a law requiring the establishment of a School District Wellness Committee.

In April of 2015, the Coventry School Committee approved an updated Wellness Policy for all Coventry Public Schools, compliant with all state and federal laws/regulations.

OR JUST COME TO THE MEETING! WE HOPE TO SEE YOU THERE!
