

A first-of-its-kind, nationally available peer certification training, to prevent sexual violence among teens.

Before Anyone Else: The Daisy Coleman Consent Culture Peer Educator Certification Training (BAE Training)

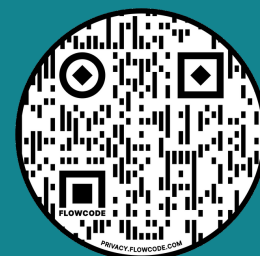

The training is:

- entirely virtual
- complete at your own pace
- training support available
- completion certificate & community service hours available
- further leadership opportunities available

We are launching a pilot of the training in RI & we are looking for youth leaders to be the first to take the training & help recruit other students!

free to students
