May, 2022

Dear Friend,

**RI Healthy Schools Coalition** is excited to plan our ***Breakfast for School Wellness Leaders 2022*** on **Thursday, October 6th!** We can't wait to welcome back our school and community wellness friends and partner exhibitors. Based on positive feedback, we will return to the Crowne Plaza Garden Pavilion, following any required Covid-19 safety protocols, of course!

This annual event is truly a not-to-be-missed opportunity for school leaders and community health and wellness advocates to gather and learn how to build a culture of wellness in every RI school to address the physical, mental, and social-emotional needs of children and staff.

It's more important than ever for us to value the critical role of schools in our communities and to support the collective commitment to create healthy school environments and support student wellbeing. Rhode Island school administrators, teachers and staff, parents and community wellness advocates from across the state will join together for our program and exhibitor area to learn of new wellness developments, best practices, grant opportunities, and community connections.

We need your support. Will you consider becoming a sponsor by providing a tax-deductible donation?

Your sponsorship will allow us to host the ***Breakfast for School Wellness Leaders 2022*** on **Thursday, October 6, 2022**, as well as support our ongoing work throughout the year. Communication, guidance and information-sharing continue to be vital to the implementation of strong policies and practices that lead to optimal health and learning outcomes.

Please help us help our schools! Together we can keep the momentum going to ensure that all kids are healthy, ready to learn and able to attain their maximum potential.

Sponsorship information is on the following page. For more information, please email Co-Director Karin Wetherill at [karin.wetherill@rihsc.org](mailto:karin.wetherill@rihsc.org).

Sincerely,  
RI Healthy Schools Coalition
